## NATIONAL MUSLIM DIRECTORY FOR CANADA

This directory has been compiled with the assistance of a number of large Canadian Muslim organizations, and represents the Centre's best recognition on what is a vast and growing number of Muslim groups in Canada. We are certain to have missed some, and also, some information listed here may be outdated. We would welcome your submissions to add to this directory or corrections where there are errors. Please forward additions/corrections to: [info@faithandmedia.org](mailto:info@faithandmedia.org)

We have listed organizations by province, as most journalists work in a local or regional market. We have also listed scholars of Islam by province, and as well, we have a number of links listed to resources on Islam in Canada, reports, statistics, polls, and scholarly works. We hope you find this directory useful even as it is a dynamic resource which will need to be updated.

1. Muslim Organizations, Schools, Mosques, Masjids, Mussallahs listed by Province (page 1-29)
2. Academic Scholars of Islam in Universities listed by Province (pages 30-44)
